4. 2-minute warm up period before the game and 2-minute halftime
5. Any coach or player receiving two technical fouls will be ejected from the game and out for the following game.

8. All Girls teams will use a 28.5 ball.
9. When determining the team who advance to bracket play: In a 2 team tie use head to head results. In a 3-team tie or if tied teams didn't play each other, use point differential (all games will be included and maximum point differential for each game is 15 points). If there is a 3 way tie in a pool where 2 teams advance, the tied team with the highest point differential advances in 1st seed. The tie breaker for the 2 other teams will be head to head, and then point differential. In the scenario where 2 teams are tied, have not played head to head, and have the same point differential, the next tie breaker is points allowed. The team who allowed less points will advance.
